Psalms chapter 119 contains 176 verses. The Word Of God is mentioned in every verse. Christians in this country can easily purchase the bible, but in countries where the people are poor it is hard for them to get a bible. Verse 105 of Psalms chapter 119 says *"Thy word is a lamp unto my feet and a light unto my path"*. We as Christians need to read the Word daily for guidance.

I have raised the money in the past ten years to build 24 church buildings in the Philippines Thanks to you I have recently raised the money to dig a well at each church building and some of

the members houses. However, one burden I have that has not been met is to purchase a good bible for each church family. I was told that these Christians dream of having a bible like the bibles I am trying to buy for each family. The bibles we are purchasing have the words in their native language in one column of the page and the King James in the other column. These bibles cost \$12 each. I need about 1000 of these bibles in order for each church family to have one. In the

past year, I have been able to purchase around 200 bibles. If you can help purchase a bible for a family or 40 bibles for a church, send your donation to my mission board:
