Dear Fellow-Laborers,

Pictured below is a vacant lot on which I want to build the next church building. Pastor Aldrin is standing on the left with some of his church members. The Pacific Ocean can be seen in the background. This is the third church that Pastor Aldrin has planted.

All three of the churches are in Dingalan where our camp is located. I have prayed about having a third church in this area. When I take some American pastors to the camp, they will have three churches to preach at.

I have had many American churches provide the money to build a church building. We can usually name the church after the American church providing the money. The members of these sponsoring churches have told me that God has blessed their church for providing the money.

Pray about building a church building in the Philippines. God has giving me the money to build 34 church buildings. We can still build them for \$7,000.00 because the American dollar has increased in value compared to the Peso.

Needs:

Money for three church buildings
Several tricycles

Thank you so much for all your prayers and support,

Fain and Shelby Morrison
