...*"and the poor have the gospel preached to them"*.

I want to thank those of you that gave to our well digging fund. I ask for the funds to dig a well at each of the 24 church buildings that God has allowed me to build. We received enough to dig a well at each church. Some villagers carry water a great distance each day. Having a well at the church is a great testimony for the Lord and may encourage some to come inside for "living water".

God has blessed our camp greatly. Currently there are around 70 youth leaders from the churches receiving training. Throughout the month, different groups come to the camp for a few days for discipleship training, pastor retreats, camp meetings with day and night preaching, and other events. The men and women's dorms can accommodate around 70 at a time. We were able to purchase another lot two years ago to build another dormitory. We have not received the funds for this project. We need around \$15,000.00 to build this dorm. Many souls have been saved at this camp.

Please pray for the needs of this ministry.

Needs:

*\$15,000.00 dormitory construction
\$175.00 each for more wells*
