Dear Fellow-Laborers,

The picture shows the building site for our next church building. This will be the 25th church building the Lord has allowed me to build in the Philippines. I want to thank the churches and individuals for giving for this purpose. Most of all, I thank God for allowing me to be a part of His work. Over the years God has been so gracious in supplying the needs for the field. The funds for this building was given by Greg and Lou Ozment of Indiana.

I am still able to build a church building for \$7,000.00. We currently have need of a few church buildings. Please pray for this need.

We have been able to purchase more bibles. I would like to give a nice bible to each family in the 25 churches. The bibles I am purchasing cost \$12.00 each. Most of the families can not afford a bible.

Each year at Christmas I like to send the funds to buy a few things for the children in the churches. We give them an apple (imported from China), a pair of flip flops and a small toy. We can purchase this for each child for about \$1.25 each. For the last few years we have been able to give these things to over 1000 children. If you want to help with this need send your money to our Board and specify Philippine Children's Christmas. Mail to: FBHM Inc PO box 1510, Bessemer City, NC 28016.
