### Missionaries in Columbia, South America

Pastor Gregorio, Adriana, David, Ruth and Rebeca

June - July 2011

Dear Friends and Co-laborers:

Receive a wonderful greeting from Bogota, Columbia , desiring that our good God is working in your lives and ministries.

In the few months that have passed, many things have happened. In them, the birthday of our three children, David turned 14 years the 1st of July (a young man for sure), Ruth turned 12 years on the 10th of July and is almost a young lady. Rebeca is 11 years old now and her life is a miracle. Thanks to God that she is much better after the surgery that was made in her urinary path. Now we appreciate your prayers for David that possibly in a few weeks he will have a surgery on the tendons of his feet. The surgery will be in two parts so he will be able to walk. Please pray so God can put His hand over him and the surgery will correct the problem on the tendons of his feet. My wife also pulled a tendon and thanks to God that she has been doing therapy of recuperation. We hope that there will be no need for another surgery. We appreciate your prayers also for her.

I respect the work here, God has been very good to us. The Iglesia Bautista El Nuevo Pacto is growing gradually. We have seen the hand of God work in a very special way within us. The attendances are solid. Thanks to God we have more than 300 people on average regularly. Please pray to God for a miracle that he will provide more space for us to keep growing. In our programs of soul winning, 900 people received Christ as personal Saviour and 67 people have visited us for the first time and 8 have obeyed in baptism. Our prayer is for a property that we need so we can keep advancing. Also a young lady from the church is attending the Bible Institute of Pastor Luis Ramos in San Luis Potosi. It is a blessing to be able to send this young lady to prepare herself for service for the Lord in our love for Mexico.

The three missions have also advanced. The bigger one of the missions, which is Mission Bautista Fundamental, I had the opportunity to initiate more than three years ago and it is a blessing to see how God has worked. They meet week after week with more than 100 people. Our prayer is that it can be able to support itself and in the near future we can organize it as a church if God permits. They also have the need for their own property. Mission Bautista Torre Fuerte in Suba, northwest of Bogota, is advancing slowly. Not like we wanted but we are praying that we can start services on Sunday mornings and little by little, the opportunity that this work will be something more solid. Mission Bautista El Faro is a work that one of our deacons and a student of the Bible Institute started. This mission is in the central zone of the city and it is a place of much need of a soul winning church. I occasionally preach there and I see that it is growing in a solid way. Thanks to God that 30 to 35 people meet faithfully. We are praying that next year we can initiate Sunday services. We are having problems getting tracts to go out soul winning. Our need for tracts is more than 150,000 a year. The Lord has guided us to print out externally 30,000 tracts to supply temporally our need in the church and the missions. Please pray for God to provide the literature or the resources. Thanks to God, the church here is learning to give. They with much sacrifice are helping to cover this need.

We appreciate your prayers for us and your financial support. It would be impossible to see what is happening here without it. With joy, we share your investment in missions; it is being very well utilized. In advance, our prayers and gratitude go out to the ones that have helped through the years in spite of the difficult times. Only eternity will reveal what God is doing here.
