Greetings from the Ojopi Family

Dear Pastor and Church Family,
Greetings in the precious name of Jesus Christ

In our door to door soul winning ministry in Attleboro, Ma. I knocked a door to a young man's home. He told me that his name was Jonathan and asked me if I would like something to drink, I said water.

We sat down and began talking. He paid attention to what I was saying and at the end of the presentation I asked him if he is willing to receive Christ as a personal savior. He said "no, but I am willing to know more about the gospel before I make a decision."

Thank God the seed of the word of God is planted in his heart and according Isaiah 55:11 said the Lord: "So shall my word that gout forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."

Then I went to the next door. The person that open the door said he was busy. I handed him a flyer with the invitation to our service in our church. After that I knocked another door looking for a person that came to visit our church one time, and when the door opened his wife told me: "he is not at home." I also gave her a flyer and invited her to the church.

We thank you very much for your support both in prayer and financially. You have enabled us to continue with our soul-winning ministry door to door. Some are saved and are faithfully attending our church services. Others say "no" to the gospel, like Jonathan, but the seed of the gospel is planted in their hearts.

We wish you a Merry Christmas and a Happy New Year!
