Dear Pastor and Church,

I greet you in the precious name of our Lord and Saviour Jesus Christ desiring that God send blessings that over bound in each of you.

One man said once, "If grace wouldn't be grace, it would be explained." The writer of Hebrews talks about the manifold grace of God and that blessed grace that is given to us that keeps us going on. The Lord has always strengthened us in each circumstance and has provided for our needs. He is the God of all Grace!

Here we are and going on with the work of God that He has commended us, working with joy and walking in the will of God.

Honduras is in a great internal crisis. Delinquency, drugs, extortions, robbery, assassinations, and wickedness is increasing which is incredible that each day in San Pedro Sula they assassinate about 18 people on average. San Pedro Sula is the second dangerous city in Latin America. *But where sin abounded, grace did much more abound.* Thanks to God that the blood of Christ has protected us because even the churches have suffered a wave of delinquency but we keep announcing the Gospel. In the last few months of visitation, 17 people have received Christ as their Saviour.

In the services, 11 people made professions of faith. We are having an average attendance of 55. Thanks to God for the churches that support missionaries with monetary gifts and their prayers.

We are praying for transportation so we can transport brethren because we only have a pick up and we need a van for 19 passengers. We ask your prayers for this and for us and thank you for your offerings that you send each month. May God bless you.

In Christ,

Pastor Oscar Pineda and Family
