Sending Church

Iglesia Bautista LaPaz de Dios
 LaPaz, Honduras

In advance, I want to thank every co-laborer pastor and churches for supporting us with your prayers and financially in the past year and thanking you for taking count of the present.

By the mercy of our God we keep working in the center of rehabilitation of alcoholism and drugs. Due to lack of transportation, I took the decision to preach on Thursdays instead of three days a week. I am going to edify the lives of each brother through a study of the Gospel of John. God keeps using the program of missionary voice in edifying many lives. I ask your prayers for this ministry.

In this month, we had a mission conference. Our guest speaker was Pastor Egon Mendez and his wife Ada. They are working in Callos of Utila Islas de La Bahia. We had youth conference in the installations of our sending church. We had four churches represented. Pastor Egon taught the young men and his wife to they young ladies. We had a good time of fellowship.

As well, before closing the conference, we had a ladies and men meeting. That day, we had the brethren of the Iglesia Bautista Filadelfia of Cane. Brother Yoni gave a report of what God is doing in the church.

We give thanks to God for last year missionary offering that our church gave to missions. It was more compared to previous years. It is our prayer that we keep advancing each year. Thanks to God that He provided so we could celebrate the 15 years of our daughter. It was an unforgettable day.
