The promises of God are realized many times. They are not a reality in our lives because we don't put it in practice. The previous verse, God promises to supply our needs if we look for Him first.

With that in mind, I greet you very cordially to each pastor and church that is reading our letter of prayer to inform you what God has let us realize in this work.

Thanks to our God the Amaya Flores family took again the ministry of Iglesia Bautista Filadelfia in Cane. They are already living three months there and realizing a good work because there are adult people congregating. I ask your prayers for this precious family with the favor of God in the month of December we will have the ordination of Brother Yoni as pastor.

Brother Erik Samir Osorio, member of the Iglesia Bautista Libertad located in Puerto Cortes, was supporting us for a week. In the ministry, we were able to preach and give out New Testaments in some schools of La Paz and Cane. We realized a youth conference in Cane. We had a good time with dynamics and preaching using in a great way as expository Brother Samir.

God let us guide to Christ various people for Christ and two of them, Brother Carlos and her mother Sister Mirian were baptized as well as some young ladies of the church of Cane. God has let us keep giving them discipleship.

I was invited by Missionary Samuel Amaya to preach in the 3rd anniversary of one of the churches that he ministers. Also in a center that helps drug addicts and alcoholics. Glory to God four men were baptized.

Also we had the pleasurable visit of two missionary families, Andrade family and Zavala family. We were able to preach in a public school of the city. We passed out 563 New Testaments and 313 young people made profession of faith.

Thanks for dedicating your valuable time to read this report and pray for your missionaries.
