Greetings in the precious name of Jesus!

Let me introduce myself. My name is Keith Phelps from Lenoir, NC. I currently pastor a small mountain church (Maple Grove Baptist Church) in NW Caldwell County. I recently was appointed by Fundamental Baptist Home Missions to be the Field Director to Africa. I am very excited about this and do count this as a great honor to serve missionaries and represent FBHM in Africa! I am really looking forward to working with Brother Chip Stowe the Director of FBHM and the whole staff!

Since the year 2006 I have been doing yearly "short term" mission trips to West Africa, evangelizing and teaching God's Word. I have already met the majority of FBHM missionaries in Africa and have already helped many of these missionaries in various ways.

Since going to Ghana, West Africa in 2006 we have seen 100's of precious souls saved and a multitude of God's people helped, but a few years ago we started getting a burden to see all these new converts "Grow in the Grace and Knowledge of the Lord". So in the spring of the year 2010 we started having an annual "Bible Believers Conference". These conferences have been very successful! Our first 2010 conference had about 65 in attendance. This year in April, in our 6th annual conference, we had over 200 attendants and the people are very excited about learning God's Word! We teach on the subjects of "Faith", "Spiritual Growth" and "Stewardship"!

We also had a burden about training the "national" pastors and preachers that God was calling there. There are very few Bible colleges in Ghana and hardly any in the North. So in the fall of 2014 we helped established a Bible Training Center for preachers and pastors. We started with about 22 men. I helped train 4 seasoned pastors, that had all graduated from a Bible College, to be the instructors in the school and helped them get the school established. The school today is doing very well! By God's grace we will have a graduation service by the fall of 2017!

My burden is to help these national pastors all I can to win souls, establish new churches and help God's people get rooted and grounded in the Word of God! There are plenty of cults, traditional religions and other false religions to capture the native people's hearts and life's, but it's our desire to get the Truth to them and allow the "Seed" of God's Word to spring up in their life's so they can live in the Freedom of God's Word and the real Truth and give them a real Hope for the future!

Please pray for us that we would fulfill this position in a way that would be pleasing to the Lord! Also pray for all the missionaries and true churches in Africa! If a pastor or church would want us to come to your church and present the mission work in Africa, please contact me at 828-754-8283 or FBHM at 704-629-4176

God Bless

Brother Keith Phelps FBHM African Field Director
