Dear Brethren,

God surely is good all the time. It was a joy to be at our mission board's Jubilee where we got encouraged and helped. As I write I am in New York, going to Canada and heading home on Sunday the 18th.

What a time it has been. We set a goal to get the building supplies home to complete the building. Facing hard times and many people loosing their jobs, God was still good and met our needs. From what we have at the mission board and those who promised to send, we should be able to get the supplies home. A thanks to all who gave and those who prayed. I am trusting that all who promised will keep their promises. Thanks for letting God use you to bless us in the Caribbean. We are looking forward to getting the building completed as soon as possible.

Pray as we host the Caribbean Pastors and Leaders Conference starting on the 6th of November. Pray for us at Ambassador that we will keep on keeping on for Him.

Keep looking up for He will soon be here. Again, thanks for all you do for missions regardless of hard times. May God bless and keep you.

In His Service,

Sammy & Susan Philbert
