Discipleship

Hello how is every body doing? In the last three months, we had three persons that received Jesus as their Savior. Please pray for them. It is not easy and especially in these times with a lot of material things around that many people choose but the more important is they need Jesus.

This month we were giving out tracks and talking about Jesus in one little park and we saw a few men sitting that were drunk. I gave them a tract but did not talk to them because of their drunkenness. They took the tracks and said "Thank you". We continued giving our tracks and talking with people that were interested in hearing. We were about to leave the park when my little girl, Kimberly, said "Daddy, Mom, we have to go were the men are drunk because there is another man there that was not there when we passed the first time". So we went and gave this man a tract and he said "Thank you., I will read it and one of these days, I will go to the church." We never know what God can do with one track in the hands of one person. Please pray for him.

Also we want to let you know that we are waiting for my wife's resident papers and during that time we will be doing our deputation in Mexico. Bro. David will be helping us during this time taking care of the mission but every thing is going great. The brethren are coming faithfully and they are keeping busy. We are receiving little by little in the churches in Mexico. Please pray so our support may go up and pray for churches that we have visited that they will have part in this ministry. We have 11% of our support.

We thank God for our children because they are a big encouragement to us. We just need to teach them and be a good example so our lives can show them that we love God so they can do the same for the glory of God.

Please keep praying for our support and pray for Sister Cristina's husband, Hector, he has had an accident.

We want to tell everyone that has a part in this ministry, thank you so much for your prayers and support.

Love in Christ,

The Rendon Family
