November - December 2018

Very Appreciated Co-laborers and brethren:

It is a privilege to greet you hoping that you are well enjoying the magnificent blessings from on High. We are

finishing one more year of service in the Lord Jesus Christ in this country of Chile and thank you for your love, prayers and support for us. Receive a cordial greeting from my wife and family.

After visiting Mexico, we integrated back to the work of the church encouraging to the brethren to keep on. I feel satisfy with the leaders that God has given me to stay faithful to Jesus and keep on winning souls and and working in the ministry. To God be the glory.

During the month of November we had our third mission conference and enjoying to honor our missionaries. Thanks to God, our church participated in representing five different countries, Chile, Mexico, Haiti, Israel and Germany. Thanks to the church, the purpose increase in a 30 percent more and we will support two more missionaries, which now is in total of seven.

God heard our prayer. It has been years that we didn't receive a mission group from our church. It was given to us to see 22 young people and brethren in Christ to travel from San Luis Potosi to Puerto Montt. It was a pleasure to welcome them.

It encourages me to see my son Israel being leader the group and organizing the soul winning in our church. I give much thanks to God for the families of the church that offer themselves to support and give lodging and preparation of food. I was able to see the joy of the families to share with these young people their experiences of life and their company. God bless them and supply and fill with blessings.

### **Souls Saved:**

Immediately we put ourselves to work together with the missionary group and know doors in three important areas and vulnerables of Puerto Montt. God opened doors and touch doors and use us to see int his month 425 people come to the feet of Jesus. We share the joy of these souls with the church as a gift for Jesus for Christmas. Glory to be for Jesus Christ.

### **Event in a local school:**

The director of a private school in the town of Alerce let us realize an event with the purpose to preach the young people about salvation. It was marvelous to see the respond that God gave us to see souls saved and professors thank us with the mission work from Mexico.

### **Evangelism:**

Thanks to God for letting us see souls come to church. In spite that is a country difficult but we saw response to the invitation and we hope that now that these are brothers in Christ can be affirm and grow spiritually committed with Christ and taking membership in our church.

We felt sad that the group returned to Mexico on December 26 however we were able to preach to 630 times, 425 saved and 90 prospects that came to church. Another group of seven stayed until January 16. Now our work continue with the visitation of these souls and discipleship to new believers. We ask your prayers so God can give victory.
