Dear Brothers and Sisters,

Our God and Heavenly Father has showered you with abundant blessings of each labor of service that you realize with much love and sacrifice so that the plan of salvation can reach many persons. Thanks for you very valuable help because with your help we can continue soul winning for the kingdom of Heaven.

I want to keep you informed of the past three months. I have been visiting different families to give them the plan of salvation. Many of them are Catholics but some of them have received Christ as their personal Saviour. More than 100 people have been saved but there is much more to do and it is not sufficient yet. My mentality is to reach Saba for Christ. I am fighting in the name of Christ and with your help of much generous support the mission work here in Honduras and in Central America can go on. I want to give you many thanks for it. I have been preaching the Word of God in the schools of the area of Saba, Colon. We have given them notebooks, pencils, erasers, sharpeners and tracts. Teachers have accepted Christ as their personal Saviour as well as teens and children. I am also preaching at colleges and many have accepted Christ as Saviour; around 300 have been saved. I have gathered children and teens to teach them about Christ in Sunday school. We have about 30 to 40 children every Sunday. My purpose and my dream with God's help is to establish a well founded Baptist Church in Saba, Colon and in the areas around in the department of Yoro. Also, one of my greatest dreams is in my community to build a kindergarten and a Christian School because we can reach more families for Christ. Please help me pray for this great dream and important project. With God's help, everything is possible. I also want to inform you that Pastor Dean came and visited us with four other brethren. We went soul winning with them in the schools of our area. It was of tremendous blessing. Many teens, children and teachers were saved for the glory of our Lord Jesus Christ. It was around 500. I want to thank Pastor Dean and the brethren that came with him for this mission trip. I want to thank the Director of Central America, Missionary David Perryman, for his excellent work and for his help and the support that is given to us, his co-laborers. Thanks in the Name of our Lord Jesus Christ.

Prayer requests:

- Please pray that God will keep using me in His work and keep reaching people for Christ.
- Please pray for my wife, Mary, because she has problems of high pressure and needs to make some general check ups and I don't have the funds for it.
- Please pray for my sons that are in school so they can do well and above all that they can keep serving God.
- Please pray that God will provide for me to build my house to live.
- Please pray for more support that more churches will give for the work of God.
- Please pray for means of transportation that is needed to bring people to church.

Attentively your servant in Christ,

Pastor Rene Rodríguez and family
