Oscar Rodriguez/Honduras

I give thanks to God for letting us write to you and greet you through humble paper in the name of our Lord Jesus Christ to each one of those that receive it. This letter comes from all the family: Oscar Rodriguez, Olga Lidia Herrera, Omar Anival Rodriguez, Iris Yaquelia Rodriguez, Oscar David Rodriguez, Sara Nohemi Rodriguez, Rut Abigail Rodriguez, Aaron Ely Rodriguez and Obed Esau Rodriguez. These are some grandchildren and three in laws. WE give thanks to God for my family that work with me in the work. I ask your prayers so that each day the hand of God can use us each of us in His work. The church keeps on serving because we have a burden in our church. We keep winning souls for Christ. Thanks for your support. It is very little what we receive and it doesn't even give us for food but we are praying to God so He will provide. We cannot advance in any project. We are stuck. We don't have visits of missionaries but we don't stop preaching the Gospel. But we do like some support so we can make some projects that we need. We have been here in this work for years and every day I love more the work of the Lord. How much I desire for more support so we can open more works in the area. We have lost many due to transportation. We don't have a support to build new works where we know of places and we can work.

Thanks for the opportunity to express us. Thanks for this small support. Here we suffer due to the gangs but we are use to them. We are working in the area of preaching in the schools, visiting different area and these people we cannot bring them because we don't have transportation. This is my desire to win souls.

Greetings attentively,
Greetings from Pastor Oscar Rodriguez and family

Pray for us and the church so we can keep on for the grace of the Lord
