February, 2012

Greetings from Nicaragua,

In the month of February, I concentrated on reaching the youth. It was a joy to dedicate time to the precious youth of Nicaragua. There is a potential in them. There is also acceptance in them to hear the Word of God.

The second week in February a group of teens and I dedicated ourselves to evangelize in the schools talking to them about Jesus Christ and giving out Gospel tracts. The schools that we visited were in Flor de Pino and the Institute Ramirez Goyena. In total, we talked to 340 students and 19 teens decided to give their lives to Jesus Christ. The honor and glory be to our God.

On the last Friday of February we were in the Cancer Center for Children of La Mascota Hospital. In this place we attended 34 children realizing dynamic activities with them in singing, games, Bible stories, and prayer. At the end we gave them food and cleaning supplies.

My brethren, I ask for your prayers so God can keep using us in the work so we can be a means of blessings to Nicaragua. I ask that you pray for those schools and also for the children's hospital in Nicaragua. I have been touched in my heart that each month to go visit these children and give them hope and salvation through the Word of God.

In Christ,

Dr. Ruben Lopez
