April 2016

Second Corinthians 12:15

Dear Pastor and Church:

It is a pleasure to greet you from the state of Oaxaca, where by the grace of God, we have the privilege to serve the King of Kings and Lord of Lords. Our desire is that you also are enjoying together with us the reading of our letter. Like the Apostle Paul said to the Philippians, "Fulfill ye my joy, that ye be like-minded." Greetings to all.

### Work:

In these months, we have been working in the central valleys of Oaxaca and in the Northern Mountains, without stopping, visiting the coast where we keep ministering in the mission of Bajos de Coyula, because of lack of workers, we have to divide our time in assisting each place in the valley. We are in a town called Huayapam and in the mountain we have visited the town called Mancornada. Help us pray for workers.

We keep in the labor of soul winning, preaching the Gospel to every creature. On Sunday, March 27, we had our Resurrection Service in a camp in the region of the mixed people in a town called Huaclilla No-chixtlan, where the Lord has blessed with 7 brethren that gave their first step of obedience to the Lord in baptism. Great things the Lord has done with His people. Keep praying for our ministry and thanks for holding the rope.

### Prayer Requests

- *We ask your prayers for our family,*
- *for the health of my wife Mercedes and my daughter Eunice,*
- *for the ministries that we have, because we only have two churches that support us, but by the grace of God we have learned things in the work, because now we are selling tortas and hamburgers to support us.*
- *Our biggest prayer is for workers, that God put in the heart of men to desire to serve the Lord and prepare themselves in some Bible Institute. God is doing wonders in our state. There are raising up various workers in our state, because we believe that only the Gospel has the power to change lives and take out a people of idolatry, the ignorance and poverty.*
- *Pray for your missionaries in the state of Oaxaca.*

God bless each church that can read our letters.
