Abundant Life—
A Family, Obeying the Calling of the Lord

From the beginning of the year 2018, January 25 to be exact we are celebrating our 25th anniversary as missionaries. This year we have seen how the time has passed very rapidly that we even have felt it.

To adapt to it was difficult and for my wife even more but it motivate us until now to see the result and the need to keep doing it. Speak of Christ to the people of Peru. Our children when they were little used to ask us, why we lived in Peru and not with our families? So we resolve that calling the elderly of our church grandparents, to the brothers and sisters of the church, as uncles and aunts and the children of their age, cousins, mother and father and brothers they already had. Very soon with the guide of the Lord and the example, they saw that we were there because of lost people with the need of Christ and salvation. There is poverty everywhere and that was not the answer. Absence of Christ is the greatest need of the people of Peru.

Together with your servants, our children work during all these years supporting in different ministries in the church in Arequipa, Peru. Dixie is married with Fernando Vasquez on October 6. Now they are servicing the Lord in Iglesia Bautista El Ancla in Ohio. Mateo and Joy are in Capitol City Baptist Church serving the Lord. We have won souls during all these years, baptizing them, discipling them so they can grow in the Lord as well as people come and go as well as stay and do great things for the Lord. Our last two daughters: Joy and Esther born in the mission field are a gift to our lives.

Prayer requests answered

They are serving the Lord with faithfulness, winning souls for His glory, train members to serve in the church, support national missionaries to keep reaching their own people and train our children for the ministry and the service of the Lord.

The month of September our mission conference was a blessing. Our Pastor, Jonathan Ashcraft visited us and preached in the conference. The faith promise this year is 9,600 which is equal to \$3,200 dollars. God blessed. God is good and more faithful than us. We have sown and the harvest is about to be seen.

Prayer requests:

Build a capable place with a sure structure due to the semiotic area of the Iglesia Monte Hebreon and for the mission work Pena de Horeb, keep doing the will of God in everything that we do in the different ministries and the grace of the Lord to work with new converts, guide and wisdom of the Lord always until Christ calls us to HIS presence or He comes for His people.

Thanks church for your faithfulness to the missionary work in the world and the lost.

*Sincerely,
Manuel Sanchez and family*

The result of the obedience of one:

One came to Christ who brought Mrs. Elis and his wife, who brought his mother in law, sisters, brothers in law, sisters in law, nephews and political cousins. This has taken 23 years in a row.

From 3 years ago, the history repeats. Moises brought her brother in law Jose and his wife Carolina, her brother, his girlfriend, his father and the wife. Jose brought his cousin, so each one of them has heard the Gospel, receiving the Lord as their Savior. One day my wife witnessed to the cousin Christina, of which he accepted Christ, of which he brought his mother, Mrs. Victoria, who received Christ in August 2018 during a visit. Matthew 28:20

People witnessed:

49 in July, 32 in August, 37 in September and 43 in October
