Match 2018

Dear Supporting Friends.

I greet you in the name of Jesus Christ our Lord and Savior. I pray that all is well as we look forward to his coming.

Our family is doing great, Aasia is growing like a weed and reciting the books of the bible, she can say up to Songs of Solomon. Hopefully she will be able to do the entire old Testament in the next four months or so. Ayla is doing very well at school she came second last school term and is positioned to take 1<sup>st</sup> place this term in academic results. She is continuing to feature at church always singing or wanting to do some thing for God's glory. She's still in Violin class played her first song at church Christmas Sunday. She was also the under 7 girls national primary school athletic championship winner. She won the 100, 80, 60 meters races that crowned her the champ. Please help us pray as we raise her in the fear of God. Anesta and I are doing great with our hands filled with the girls, it's a joy for us to watch them grow.

The work at Chantimelle is progressing very well, the persistence and above average rain fall, held us up significantly but we have done the first phase of preparatory work that will allow us to start some construction in a month or so. We have done the necessary amount of excavation and related works. We have put up a tent on the property and we are having a month-long tent meeting we are using local preachers. Should any of you have an interest in wanting to come preach in some 83-degree Caribbean weather please contact me. We will love to have you. Having said all our greatest desire is to see precious souls saved. We started March 25<sup>th</sup>. Please pray for that meeting that God would met all the needs there most of all souls. I have already sent some of you some and will forward for the rest you as I put the contacts together.

We had our first profession of at the tent meeting last night March, 27<sup>th</sup> praise the Lord a young lady in her twenties by the name of Nikisha Frederick. Please pray for her.

Thanks again to everyone that aided us in purchasing the lots and to do some construction to the point of where the funds take us when that part gets going. We started by faith and will continue in the same. Help us pray for that \$31,000.00. God is able if he ordered it he will pay for it. He's already saving people on that land. To God be the glory.

Here at Victory Baptist we had three decisions in February. We also had a visit from the newly reelected parliamentary representative for the constituency of Victoria with some of here supporters about twenty in number. Please pray for us as we continue to be a light in the community.

Thank you for your faithful support financially and otherwise.

Your fellow labor in Christ,
