Dear Co-Laborers in Christ,

Greetings to you in the name of our blessed Lord and Savior Jesus Christ. We are into the first month of a brand new year, and already God is blessing. We have already seen souls saved in these first three weeks of January. We are praying that we will see many more before the Lord comes back.

We have two special prayer requests for our Island preachers. Bro. Francis Houston is in the States having some more medical tests done. He has had another MRI on his remaining kidney, but has not received the results yet. These tests are very expensive. Please pray that God will supply for this need. Also, Bro. Jeremy Scott and his wife Anesta are in the States awaiting the birth of their baby. Anesta is experiencing some medical problems and is hospitalized in Gastonia, NC right now. Please pray for her health and for a healthy baby and easy delivery.

Our Caribbean Jubilee is coming up in April (11th-15th) and we'd love to have you go with us. If you are interested in making a Mission Trip, please contact me or Dr. Ellis at the Mission Board. We will leave here on April 10th, and return on the 17th. Please pray that God will supply the needs for the food for this Jubilee. When we first started these meetings, I told them I would raise the money for the food. At that time we were running about 50, now we sometimes have in the 100's, and I am still trying to raise the money for the food.

Again, we just want to say thank you for your love and support of our ministry. We could not do what we are doing without your prayers and support.

In Christ,

Don Sessions
