To all our Fellow Servants helping with Native America,

Merry Christmas to all and a Happy New Year.

I am still working on the pastors' school. As I said before, it takes time in which the Native Americans have plenty of. They don't get in a hurry about anything, but I love to work with them. They are a great blessing.

The reason I work on so many different churches at the same time is some churches are slower starting than others. Different problems must be resolved and pastors must have time to adjust.

The K.J.V. Bible Ministry is a great blessing to Native America. Bibles are reaching Native America. Please send all offerings to the Sexton Bible Fund c/o Fundamental Baptist Home Missions, Box 1510, Bessemer City, N.C. 28016.

Please continue to pray for the Hopi Reservation. This is the hardest reservation to work with. They have tried to revert back to the Hopi religion. The main problem is each one believes something different.

Please pray for Sharon, it is looking like surgery is in her future. She is limping all the time. Everyone knows that she is very important to me.

Josh is still improving each day. Please keep praying.
