GOD BLESS AMERICA!

January-February 2019

Dear Brothers and Sisters in Christ,

We praise the Lord for another year of good health and strength that He has given us to serve Him, who is worthy of our praise. Also, to each one of you we would like to THANK YOU for all that you have done for us in 2018. The Lord has used you mightily for the past 25 years to help us continue the ministry of serving our Military and their families.

We used to work with the Christian Servicemen's Center in Norfolk. The center has closed their doors and the property has been sold. We helped the center on Tuesday and Thursday nights by participating in their Bible studies. We also helped provide meals for our military on Thursday nights. The Christian Servicemen's Center was a great opportunity to serve as well as to help us bring military to Little Creek Baptist Church. We miss this particular avenue of being able to meet and serve our military. Also, since 911, we have not been able to get on the bases to talk or hand out tracts to our military.

The Bible in several places mentions those who had ears that were dull of hearing. It seems that we are experiencing the reality of these words as never before since we have been in the ministry. Please be in much prayer that soon we will see the fruit of our labor once again.

We are often reminded of the words that the Apostle Paul gave to those at Philippi in Philippians 1:6, "Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ."

Every Wednesday night in March, we have a Navy Chief who will be bringing a series of lessons on "Why we use the Old King James Bible. These lessons are much needed in this day that we are living. It is so sad to see so many different translations fill the bookshelves of our "so called" Christian bookstores and in many homes. We are finding that more and more people need to know why we take a stand on the Old King James Bible!

As we close this prayer letter, we want to humbly thank you once again for your financial giving and especially your prayers for us as we continue to labor for Him here in the Tidewater area of Virginia. We will close with one of my favorite verses. "And I thank Christ Jesus our Lord, who hath enable me, for that he counted me faithful, putting me into the ministry."

THANKFUL TO BE IN HIS SERVICE,

Wade & Nora
