February, 2012

Dear Brethren in Christ,

Receive Greetings from your co-laborers in Jiquilisco praying to the Lord for you always. Hoping that when you receive this news letter you are doing well beside your beloved family as well as your ministries in which the Lord has give you for His grace serving in the local church. We are very grateful with the Lord Jesus Christ for His grace and provision and for each of you that appreciate us, pray for us and support the Turcios family and the work in Jiquilisco.

I want to inform you that my wife, Cristina, was operated on February 10. The surgery was a success; thanks to God. She was able to leave the hospital and then come home then she was taken each day to be checked at a clinic in Jiquilisco, but on February 15 through 17 she felt strong pain in her head and fever. On Saturday, February 18, I took her to take out the stitches from the operation and the doctor after observing her ordered right away to be taken to the laboratory where they found her to have a bacteria infection and has remained in the hospital. They are applying strong antibiotics.

Prayer requests:

1. For my family and for your servant for strength.
2. For more souls saved.
3. For baptisms of new believers.
4. For missions and missionaries.
5. For the students in the institute that I have.
6. For group growth of the congregation.
7. For the property of the church in Jiquilisco.
8. For the new church that we are praying and plan to start north of Jiquilisco.
9. For financial support for the Turcios Family.

We had a teen that has accepted Christ as her personal Saviour. She is coming to church. Also there is a new family that is coming, Douglas and Jacquelinne Sorto and their baby.

Brethren, thank you very much. Thanks for your prayers and constant support. We appreciate all that you do in the Lord.

Your Servants in Christ,

Pastor Luis Turcios
