I greet to you all in the matchless name of our Lord and Savior Jesus Christ. It is a wonderful privilege to be saved and to be deeply involved in the Lord's work. I am forever grateful to the Lord for his plan of salvation is still working through the hearts of sinful men. I believe it is the Paul who penned these words in 2 Corinthians 5:21, "For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him." I am still amazed of the sacrifice that he made on the cross of Calvary.

In relation to my family we are doing fine by God's grace and mercy. We continue to serve in the place where God has called us to labor. My wife is almost ready to deliver our second baby which has been confirmed to be a baby boy. There are still minor pains that she experiences here and there but above all these God has been her source of strength and comfort. Thanks to many of you who have been praying for us, we are very grateful for all your prayers and concerns about us. My little daughter Aletheia who is 2 years and 9 months is now preparing for pre-school coming up early next year if it is the Lord's will. She has been sick lately but thanks to God for his healing hands upon her life.

At the church we are very busy in launching into our community and beyond. The Lord has been good to us as we gain ground within our community. And he has been using the preaching to his word to encourage the saints and to combat against the evil forces of the devil. He Allows me to give an example, one Sunday night I was preaching on the subject of "Helping others" and here comes a young lady running inside in church building crying for help because she has been brought to a church which practice demonic rituals and she was also physically abused by her boyfriend. We prayed for her and she has decided gave herself to Lord. We thank God that prayers still works. Also we have been reaching out to our community through opening Air meetings. Thank God many have trusted Jesus as their Lord and Savior.

I will like to take this opportunity to express my gratefulness to all the churches that allowed me to minister the word, testimony, and the work in Grenada to your people. Thanks for all the love gifts and monies that were given to ship the 4000 bibles to Grenada. Thanks for all your prayers and genuine concern for us in the ministry. May God continue to add fruits for your account.

Here are some areas in which you can help us pray and partner with us in the Ministry;

- We trust the Lord for 15,000 Us to build a restroom facilities at our church
- We trust the Lord that as the 4000 bibles go out to the schools lives will be change
- We trust the Lord that Lord of the harvest will send forth laborers into his harvest.
- We trust the Lord for a 1000 Us to purchase an engine for our church Van that just gave up.

Once again I say thank you and may the Lord richly bless you, your family and the ministry that you are involved in.

Looking for that blessed hope,

Donald Vincent
