Dear Pastor and Praying Friends,

Greetings in the name of the Lord Jesus Christ.

Jeremiah 8:20 *“The harvest is past, the summer is ended, and we are not saved.”* What a statement! So many around us are lost and unconcerned about their souls. As we witness to folk it breaks our heart as they reject the Word of God and the Saviour.

We have a lot of sickness in our church family. Sister Shirley has had knee and hip replacement and now needs shoulder surgery. Brother Larry has had his carotid artery cleaned out and now needs the other side done. Brother Watson has battled pneumonia off and on all summer. At the moment my wife has bronchitis/pneumonia. I have not been able to work since August because I have two bulging discs and a form of arthritis in the spine. It is hard for me to be on my feet more than three hours at a time. This has really hindered me as far as visiting or anything else. I have had to preach while sitting.

Please pray for the Dove family. They had visited our church several times. Their son, Dylan, came forward for salvation; but that was the last time they came to church. Mrs. Dove's older son tried to commit suicide a few days later. I have visited them repeatedly.

I want to thank you for your continued prayers and support. We could not do without either. It has been a long time since I have been in some of your services. If you would like for me to be in your mid week services, please contact us. I have an email address now: [kenneth.williamson1@yahoo.com](mailto:kenneth.williamson1@yahoo.com) I go once a week to the public library to use the internet.

Thank you!

Following Jesus and Fishing for Men,

Kenneth Williamson
