## PARTNERS WITH THE PHILIPPINES

A help ministry and partnership with native pastor,  
Dr. Edgar Nono of Bible Baptist Church, La Carlota City, Negros Occidental,  
Philippines to help reach the Filipino people with the Gospel of Jesus

Oct—Dec 2018

Grace and peace unto you, our fellow brothers and sisters in Christ.

Things are still going strong despite all the winter weather and busy holiday schedules. We have continued to present to several churches and have quite a few prospective meetings as well.

As far as our help outreach, we have been in contact with quite a few Filipino pastors and will be helping them this Christmas season. As of right now we have helped one young preacher with repairs to his motorcycle so he can visit schools for Bible Study, without the motorcycle he could not travel the distance to get to these remote areas. He has seen many professions from the students as well as baptized a few!! Praise the Lord! We plan on helping Pastor Nono with the upcoming annual Tent Revival which is planned to be bigger than ever before, just in the last two years we have seen over 8000 professions of faith and many following in the Lord's Baptism. We will be helping with one pastor's need for instruments for the youth in his church for the church choir and "orchestra", he was hoping for a flute, trumpet, violin and cello, one each for his many youth to practice on. This may seem like an odd help but you should really see how seriously the Filipinos take their gospel hymns and music. It is a praise and a glorifying of God to hear them play.

We are also helping on some major repairs to one church, Pastor Tiansay I mentioned in the last letter, but after speaking with Pastor Nono about this, his need is about \$3000, we can only partially help with this due to funds, so if any of you would like to assist in the repair of this church please let me know. We will also be helping Pastor Eleseph Dulay with the purchase of a new property for his growing church and look forward to him and his family staying in home once again before he returns home to the Philippines. We are almost complete with the Good Samaritan Hospital, and a big thank you to Timber Ridge Baptist Church for the special help on this project. We look forward to the second phase of working with local medical mission organizations to get donated equipment there.

And the big news as of right now, if you recall my telling you of the three boys who went to Camp Canaan Bible Camp, who we helped to go after talking to their father and who went back to their remote village after being saved during camp and began evangelizing them, and where now my good pastor friend, Effren Ayala, is conducting weekly Bible studies at now and has a group of between 25-35 in attendance, we are now actively pursuing a piece of property we can rent and actually begin planting a church in this area. I have spoke with Pastor Nono and he will be getting me further details on the actual costs, but we can rent the potential property for approximately \$4000 per year and we can start with a small light material building to plant the church here. Please, if you would like to help in planting a new church in the Philippines please contact me, and as soon as I have more information I can get it to you. Please pray for this new church and for it to grow and flourish. This is very exciting for me personally as I have gotten to see the very seeds be planted, take root, grow and blossom, God is too good to us!!

And on a personal note, Michelle has started a new job working for an Urgent Care, a position she has wanted for a long time. Please pray for her and her patients and that she can make an impact to those in need. And I am now officially a nursing student at ETSU and begin in January. Looking forward to this new path and challenge the Lord has given me.

I want to thank you for your thoughts and prayers, and please pray for us as we fulfill God's purpose for our lives, to be a help ministry, a help to those in the Philippines as well as a help to local US churches who stand in need of preaching and teaching from the Word of God. Thank you all for your love, financial assistance and encouragement. And a special thank you to the few individuals and families who have given a special love gift to this ministry recently, God knows who you are and your heart for His work. May God richly bless you as you help us help others. Have a very Merry and Blessed Christmas and Happy New Year!!!
