Prayer List

1. Travel Trailer for deputation/ Missions work.
2. Video Projector
3. New converts who attend our discipleship classes
4. Local outreach mission works

MARCH - Haiti Truss Project (February - March) with Tony Ledbetter

This project was a special joy to me, as a few years ago when I was there preaching a Revival, I saw the ground marked off for their future building. At that time, I encouraged Bro. Tony to strongly consider using heavier gauge, twisted rebar and lots of it, instead of the pencil rebar that was so widely used in Haitian construction.

Bro. Tony received & used several helpful tips from others and to God's glory, the church building survived last year's earthquake without any damage! Though their pre-existing security wall had to be rebuilt, the property has been safe and has become a temporary shelter for many of the displaced church families.

I was given the privilege of preaching for a service which Bro. Tony translated. We saw the Lord bless the services tremendously! The Haitians are not ones who normally show their tears in public. They are private when it comes to their emotions. However, the Spirit of God was evident in each service as God moved hearts and the altar was filled with tearful Haitians. The Haitians live in primitive conditions - no running water; no daily electricity; they walk to church; and the only electricity at the church is with a generator that Bro. Tony provided. The Haitians were able to nail the tin on the trusses after we left. Praise the Lord for another mission accomplished! We have returned to America - burden for the souls of men!

MAY - Joplin, Missouri Tornado Emergency Response & Witness Trip "Let your light so shine before men that they may see your good works and glorify your Father which is in Heaven."

We are currently in the process of scheduling a deputation tour to raise our support, in order to enable us to devote 100% of our time and energies to the Cause of Christ. We desire to see souls saved and lives changed for the Glory of God!

3 Possible Future Missionary Church Building Projects we've been asked to pray about: St. Lucia, Honduras, and Africa. These possibilities remain in the praying stage as we wait for the Lord's perfect leading.

Please let us know if your church would be interested in scheduling us for a meeting during 2011 or 2012. We are currently available for Regular Services, Missions Conferences, Revivals, Special Meetings such as a Soul Winning or Family-Life Conferences, Men's & Ladies Meetings, Fellowship Meetings, or Pulpit Fill.

If we can be a blessing to you or your church in any way, please email or call us today! May the Lord richly reward your faithfulness to Him and bless all that is done for His Glory.

Because He lives, Jay & Rhonda Workman
