For God so loved the world....

Preach the gospel, in season out of season

God entrusted to us the children

What a joy to see happy faces of children enjoying at our Christian School. Please pray for this ministry as we minister children of different family background.

Thank you Lord for the harvest!

If you sow, you will reap!

We are very thankful to God for the bountiful harvest he has given to us. Now, we are able to eat very fresh vegetables from our garden. Some harvests are sold to the market to help support our college students and some pastors.

We can now resume our feeding to our extension class areas. The children are waiting. To God be the glory great things He has done!

Thank You Note

We give back to God all the honor and glory!

Thank you dear brethren for all your prayers and support to us.

We have only one life to live and what's done for Christ will last.
